INTRODUCTION

Winmate S Series HMI is a versatile and robust solution for industrial automation and control applications, offering display sizes from 7" to 15". With PoE functionality and multi-OS support for Windows, Android, and Linux, it ensures seamless integration into various systems. Featuring PCAP touch and an all-around LED light bar, it enhances usability and visibility. Built with a front IP65 rating for water and dust resistance, it is ideal for harsh environments. Optional HF RFID integration adds convenience for secure access control, making the S Series HMI a reliable choice for smart and connected industries.
